Describe in detail what happened.

On 10-23-19 I was doing weld inspection in the green line frame install ~~and~~ when Andy walk up to me and said the guys on the other side of the paint booth had a lip to deck gap. I told Andy that they knew what to do with the problem. I told him they could not fix the problem. They have to non-conform and send it to rework for repair.

When Andy saw that I continued to do my weld inspection he then stopped Gary and told him the same thing he told me. Gary stopped and went to take a look at the problem. I soon went to take a look as well.

(1) ~~Page #2~~ I look at the deck to lip  
PAGE #2 match and Gary did as well. Gary asked  
me what I wanted to do about this. I  
told Gary they know what to do if  
we have a gap between the lip & deck.  
Write it up and send it to rework.  
At this point I told Andy that we  
have this over here everybody knows  
what to do and that he needs to go  
back to his work area. Andy started  
yelling I don't tell him what to  
do and that I needed to take that  
up with Pat. He then said I was  
hassling him & told me to take my  
ass back to the other end. I left  
and went back to the other end. After  
making a few more weld inspection it  
dawned on me a conversation that Andy  
I had the day before in which he  
said he learned whom he ... out to.

really don't matter. So went  
back to ask him if he  
remembered what he said.  
He blew up again saying  
I keep harassing him and  
all I did was asked him  
do you remember what you  
said you learned in Milwaukee?  
Andy was the person yelling  
and making a scene. Not  
only was Andy out of his  
work area he was distracting  
4 employees from doing their  
work and stopping the line  
for something the line did  
not need to be stopped for.  
To make matters worse.

Andy falsified documentation & defamed my character. This has been a on going problem with Andy. Employer Lee, & Dexter have told me that Andy talks about me behind my back saying things like He is going to do a QTR on me & that I don't know what I'm doing. The employer that were present on 10-23-19 were Gary D.T. Lewis.
